Dear Sir:

In response to the restriction requirement set forth in the Office Action mailed July 8, 2004, Applicants hereby elect without traverse Group I for continued examination. The July 8 Office Action states that Group I includes claims 1-9 and 38-40. Applicants have confirmed with the Examiner that Group I actually includes claims 1-27 and 38-43. Applicants note that claims 28 and 29 will also be examined with the claims of Group I.

Applicants expressly reserve their right under 35 U.S.C. §121 to file a divisional application directed to the nonelected subject matter during the pendency of this application, or an application claiming priority from this application.

Applicants request examination of the elected subject matter on the merits.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, Applicants petition for any required relief including extensions of time and authorize the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing docket no. 393032024400. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Dated: August 4, 2004

Respectfully submitted,
